### How many ways do you divide your life?

Today's woman is pulled in many different directions. How do you balance it all? How do you take charge of your life? CEW's remarkable speakers will share how they juggle and set their priorities in building stronger families, businesses and communities while staying healthy.

Mingle with other remarkable, accomplished and successful women at this educational, inspirational, supportive seminar. Discover new ways to balance your career and family.

In recognition of **Breast Cancer Awareness Month**, our Women's Health panel will discuss healthcare issues and how to deal with them.

Take charge of your life today and join us!

**Make your reservations by September 19!**

For more details e-mail:
